

~~SECRET~~

25X1

9 March 1956

ATTENTION :

Chief, Industrial Division

Requirements for former USIA plants in Austria.

25X1

1.  These requirements, covering the period of Soviet control of the USIA plants, are still valid. They indicate the character and extent of our interest in the Austrian plants.

25X1

b. What types of industrial equipment and machinery are to be shipped to the U.S.S.R. under the terms of the peace treaty?
